Wednesday 12/11

Dear Folks;

I had no time in Chicago. Made my train by about 3 minutes. Was very much disappointed in not seeing the baby as I was looking forward to it. May have a grandchild myself by now as I have not heard from Home. I think they will wire when he arrives. However his name will be Abele and not Just. The only hope of the F.P. Post line continuing is here in Winston-Salem.

Was so sleepy when I got here that my boy could not raise me at my room. Had to ring next morning.

Hope to see you folks again and I promise not to monopolize the conversation next time. Will see you get the pictures of Jim & when I get home

Will you please send the name and address of the family of the crew member that was from Bakersfield, Calif. I am routed by Bakersfield going back. I am enclosing an envelope with my address.

If you or any member of the family come through Sacramento I would be glad of the opportunity of repaying your kindness to me. If they don't happen to have the address, it is in the resident directory and phone directory.

I am sending this air mail hoping I can get the address before I start home.

"They took it" So lets try and carry on for the ones that are left

Sincerely Yours,
Jack Yest
