

Channel Island papers

Rentz, D. C., Weissman, D. B. 1973. The origins and affinities of the Orthoptera of the Channel Islands and adjacent mainland California. Part 1. The genus *Cnemotettix*. *Proceedings of the Academy of Natural Sciences of Philadelphia*, **125**: 89-120.

D. B. Weissman, D. C. Rentz. 1976. Zoogeography of the grasshoppers and their relatives (Orthoptera) on the California Channel Islands. *Journal of Biogeography*, **3**: 105-114.

D. B. Weissman, Rentz, D. C. 1977. Rainfall data for the California Channel Islands and adjacent mainland. Offset, pp. 1-21.

Rentz, D. C. F. 1979. The value of islands as indicators of evolution: The grasshoppers of the California Channel Islands. Abstract. *Revista de la Sociedad Entomologica Argentina*, **36**: 96.

D. B. Weissman, D. C. F. Rentz, R. D. Alexander, W. J. Loher. 1980. Field crickets (*Gryllus* and *Acheta*) of California and Baja California, Mexico. (Orthoptera: Gryllidae; Gryllinae). *Transactions of the American Entomological Society*, **106**: 327-356.

Rentz, D. C. F., D. B. Weissman. 1981. Faunal affinities, systematics and bionomics of the Orthoptera of the California Channel Islands. *University of California Publications in Entomology*, **94**: 1-240.

Weissman, D.B. 1975. Differential adaptation and evolution in the Orthoptera to life on the California Channel Islands and mainland, California. Ph.D. thesis. Stanford University.

Weissman, D.B. 1975. Differential adaptation and evolution in the Orthoptera to life on the California Channel Islands and mainland, California. Diss. Abstracts Inter. 36:4279-B.

Weissman, D.B. 1976. Geographical variability in the pericentric inversion system of the grasshopper *Trimerotropis pseudofasciata* Chromosoma (Berl.) 55:325-347.

Weissman, D.B. 1985. Zoogeography of the Channel Island Orthoptera. pp 61-68. in A.S. Menke and D.R. Miller, eds. Entomology of the California Channel Islands. Santa Barbara Museum of Natural History.

Lightfoot, D.C., Weissman, D.B. 1991. Review of the grasshopper genera *Dracotettix* and *Litoscirtus* (Orthoptera: Romaleidae), with a discussion of their origins and life histories. Proc. Calif. Acad. Sci. 47:159-174.

Weissman, D.B. 2001. North and Central America Jerusalem crickets (Orthoptera: Stenopelmatidae): taxonomy, distribution, life cycle, ecology, and related biology of the American species. In Field, L.H. (ed). The biology of wetas, king crickets and their allies. Pp 57-72. CAB International.

Weissman, D.B. 2001. Communication and reproductive behaviour in North American Jerusalem crickets (*Stenopelmatus*) (Orthoptera: Stenopelmatidae). In Field, L.H. (ed). The

biology of wetas, king crickets, and their allies. Pp 351-373. CAB International.

Song, H., Weissman, D.B., Barrientos-Lozano, L., and Cano-Santana, Z. 2006. The Locust Island. *American Entomologist* 52(3): 168-181.

Vandergast, A.G., Weissman, D.B. 2008. Multiple origins of California Channel Island Jerusalem crickets (Orthoptera: Stenopelmatinae: *Stenopelmatus*). 7th California Islands Symposium: 76.

Weissman, D.B., Walker, T.J., Gray, D.A. 2009. The field cricket *Gryllus assimilis* and two new sister species (Orthoptera: Gryllidae). *Annals of the Entomological Society of America* 102: 367-380.

Weissman, D. B. & Gray, D. A. (2019) Crickets of the genus *Gryllus* in the United States (Orthoptera: Gryllidae: Gryllinae). *Zootaxa* 4705 (1): 001-277.
